**Assignment**: P3
**Name**: Komal Khan
**Section**: IT214 DL3

**"Happy Learning" Kindergarten Operations**
**Database Query Report**

This database will be used to organize a private kindergarten's operations, managing its entities. These entities include classes, students, parents, and teachers, along with their attributes, foreign keys, and relationships. The queries written will go through the data and show students, parents, and teachers' relations, alphabetically.
